

3 Reasons I Want Groove Magazine

1. Secrets Only Few People Will Have

- **I'm most excited about seeing the *Behind-the-Scenes Stories* in Groove Magazine.** Because getting a glimpse of how things come together can inspire you, and get you to do things you hadn't originally planned. For example, a year ago I read in magazine about how Mark Wahlberg got started with his businesses. And also how he manages the day-to-day operations. This inspired me to put pedal to the metal and do more in my own business.
- **New KEYWORDS pop up everytime Groove creates something new.** Such as the release of GrooveMail earlier this year. Many people knew it was coming because it was announced online. But undoubtedly, there will be announcements exclusively published in print, only inside Groove Magazine. And this gives you the 1st mover advantage to hop on new Groove "waves".

2. Gain Momentum Going Into 2021

- **As experts predicted, we saw Pent Up Demand earlier this year after a partial re-opening happened around the United States.** This is where, after having been closed down for months, a re-opening caused a flood of sales came in for online and local businesses. Now we're headed into 2021 and the MASSIVE PENT UP DEMAND that is going to be UNLEASHED!
- I get Entrepreneur magazine, Consumer Reports, Affiliate Summit, and other magazines. But I've never received a magazine like what the Groove team has prepared for us in Groove Magazine!
